### EXPLANATION OF THE PROCUREMENT DOCUMENTS I.

The above mentioned Contracting Authority is informing you, under the provision § 98 of the Act No. 134/2016 Sb., the Public Procurement Act, as amended (hereinafter referred to as the "Act"), about the following explanation of the procurement documents concerning the public contract „**Delivery of ICT equipment to Kazakhstan and Uzbekistan under IQAT project**“.

#### Wording request for the explanation of the procurement documents No. 1:

We have already sent all tender documents to your office. However, when delivering such documents to a post office, its officer accepted only paper documents except for a compact disc containing a draft contract and its appendices. He referred to a legal provision applicable in Uzbekistan that prohibits the dispatch of any electronic media by post. Therefore, we kindly request you to accept for consideration our tender documents in a paper form without said CD. Should such draft contract and its appendices be required to be sent in an electronic form by e-mail, we may send them in such a manner upon your approval.

#### The explanation of the procurement documents No. 1:

The requirement to provide the contracting authority with a CD has only a formal character. In case the CD is not delivered, the tenderer will not be excluded by the contracting authority. The requirement was stated only to facilitate the tender procedure and the conclusion of the contract with the supplier selected.

S pozdravem
