### EXPLANATION OF THE PROCUREMENT DOCUMENTS II.

In accordance with Section 98 of Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as the "Act"), the above mentioned Contracting Authority communicates the following explanation / amendment or supplement to the tender dossier relating to the public contract "Metagenomic analysis (sequencing of amplicon and data analysis)".

#### The explanation of the procurement documents No. 1:

The Contracting Authority assumes that during the course of the implementation of the subject of the contract it will be necessary to provide approximately 4 - 6x the transport of samples for processing the subject of the contract from the Contracting Authority to the Contractor. The Contracting authority has decided to change the terms and conditions and that the selected participant is obliged to pay the transportation of the samples from the Contracting Authority to the Contractor. Based on this change, the Contracting Authority has modified the Article of the Contract. The revised contract is attached to this explanation of the procurement documents.

#### The explanation of the procurement documents No. 2:

The Contracting Authority decides, in accordance with Section 99 of the Act, to extend the deadline for submission of tenders, until 18 December 2018, until 9:00.

The Advertiser expressly warns that the Offer may be delivered by the Participant for the whole of the deadline for submitting the tender in electronic form, solely by means of an electronic tool on the profile of the Contracting Authority (<https://zakazky.czu.cz>).
