EXPLANATION OF THE PROCUREMENT DOCUMENTS III.

Pursuant to Section 98 of Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as the "Act"), the aforementioned contracting entity shall provide you with the following explanation / amendment or supplement to the tender documentation „**Genome and metagenome sequencing using NovaSeq platform**“

The request for explanation of the tender documentation was received after the deadline. Nevertheless, the contracting authority decided to provide an explanation in accordance with Section 98 (3) of the Act and the deadlines pursuant to Section 98 (1) of the Act are not met.

Wording request for the explanation of the procurement documents No. 1:

Following question no. 3 of the Explanation, completion, changes of procurement documents II. from 5/3/2020, I would like to ask how many individual libraries (Terming Genomes) will contain each pool of libraries. If this is not yet known exactly, please at least estimate whether it will be units, tens or hundreds.

The explanation of the procurement documents No. 1:

We estimate that these will be units.

Wording request for the explanation of the procurement documents No. 2:

Further, I would like to ask whether these pools can be sequenced together in a single run with respect to index combinations of individual samples.

The explanation of the procurement documents No. 2:

We will prepare the sample and library so that they can be sequenced together. Therefore, we will use Dual Indexing

Best regards
