EXPLANATION OF THE PROCUREMENT DOCUMENTS I.

Pursuant to Section 98 of Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as the "Act"), the aforementioned contracting entity shall provide you with the following explanation / amendment or supplement to the tender documentation "**Termite Gut Metagenomes Sequencing**".

Wording of the request for explanation of procurement documents No. 1:

The ordering part informs in technical specification that: - 120 dual unique tag indexing libraries will be delivered by the Client.

Should this be understood as 120 pools of libraries, or 120 physical libraries?

The explanation of the procurement documents No. 1:

120 physical libraries will be delivered. Library per LANE.

Wording of the request for explanation of procurement documents No. 2:

What type of the library will be delivered: targeted metagenomes or shotgun metagenomes?

The explanation of the procurement documents No. 2:

Shotgun metagenomes.

Wording of the request for explanation of procurement documents No. 3:

The ordering part requires approximately 120 lanes in 2x150bp run configuration. Should this be understood 1 library per 1 lane?

The explanation of the procurement documents No. 3:

Yes.

Wording of the request for explanation of procurement documents No. 4:

Is the ordering part having any particular type of a sequencing flow cell in mind (SP, S1, S2, S4)? The specification stated (390 million reads) and expected throughput 120Gbp per lane does not fit to any specification provided by the manufacturer.

The explanation of the procurement documents No. 4:

S4 flow cells.
